

# ILLAWONG LITTLE ATHLETICS - DUTIES

## WHAT IS A DUTY?

A duty is any regular task posted to our duty sign up register at <http://signup.com/go/rzGGvAL>

These include:

- Equipment set up & pack down
- Canteen & BBQ
- Helping with hurdles
- Judging race walking
- Race starting
- Finish line and timing
- Data entry

We ask parents to complete up to 6 of these duties a season in order make our meets work. Including 1 Canteen or BBQ.

Regular age managers and committee members are exempt from duties

## WHAT IS NOT A DUTY?

At our club the following activities are not considered a duty:

- Measuring and recording jumps and throws
- Collecting throws equipment
- Marshalling athletes
- Raking long jump pits

At other clubs these activities may be considered a duty, however they are required for the whole meet, increase the number of duties required to be 10 or more per season and restrict the time you can spend watching your own child.

By doing this we help keep our meets short and keep strong support around our athletes as often as we can.
